Senior UX Designer with 8+ years of experience leading product strategy, interaction design, and user research across consultancy firms, user management systems, and configuration platforms. Skilled in driving projects from 0-to-1, balancing user needs with core business goals while integrating AI workflows into product design.

PROFESSIONAL EXPERIENCE

ORACLE | Remote

Senior UX Designer (Restaurants) | *Mar 2025 – Present*

-Led 5 end-to-end redesigns of legacy systems from concept to launch, delivering global impact for over 20,000 restaurants across 100+ countries.

-Defined the multi-platform design strategy (web and mobile) for the GloriaFood ecosystem, adapting Oracle's design system and leading user research to optimize ordering flows; successfully reduced purchase completion times by 78% compared to the legacy experience.

Wizeline | Remote

Senior Product Designer | *Jul 2021 – Mar 2025*

-Spearheaded end-to-end UX strategy and discovery for Fortune 500 clients across automotive, retail, fintech, health, and HR.

-Designed and scaled cross-platform design systems, ensuring seamless production handoffs between design and engineering.

-Facilitated 30+ alignment workshops for major brands (Ulta Beauty, Valvoline, Assetmark) to turn ambiguous requirements into clear product roadmaps.

-Partnered with tech leads and PMs to lead multidisciplinary teams through user testing and iterative design sprints.

-Co-founded and facilitated Wizeline's Generative AI Hackathon, driving engagement for 100+ external participants in 2023.

ITESM (Tec de Monterrey) | Remote

Product Design Consultant / SME | *Feb 2022 – Jul 2024*

-Defined the design strategy and scaled the unified Design System for a national academic platform serving 8,000+ students per semester across all education levels.

-Owned the end-to-end product lifecycle from discovery to launch, conducting user research and rapid iterations to deploy a highly successful initial MVP.

-Architected the information architecture for the backend management platform, automating reporting workflows and reducing task completion times from 3+ hours to under 3 minutes.

Impulsa Global | Remote

UX/UI Designer / Project Manager | *May 2020 – Jul 2021*

-Designed high-impact eLearning platforms for major global institutions (Santander X, Emtech, Trepcamp), leveraging Adobe Captivate to create interactive frameworks that boosted course completion rates by 90%.

-Balanced dual roles as Designer and Scrum Master, applying Agile methodologies to clear technical roadblocks and keep cross-functional development aligned for 5 products.

EDUCATION

Colectivo23 | Product Management Certificate | *Jul 2025 - Nov 2025*
Dev.f | Master in UX/UI Design | *Jan 2021 - Feb - 2022*
ITESM (Tec de Monterrey) | B.A. in Marketing and Communications | *Jan 2015 - Dec 2019*

KEY ACHIEVEMENTS

Guanajuato State Government
Guanajuato State Youth Award in Innovation & Technology | *Aug 2025*
Awarded 1st Place at the state level for the end-to-end design of a health-tech symptom-tracking application.

Toastmasters International
Speech Contest Semifinalist | *Aug 2022*
Placed in the Top 28 worldwide out of 30,000+ contestants, demonstrating advanced capability in storytelling and presentation skills at an elite global scale.

European Commission
DigiEduhack Winner | *Jan 2020*
Co-created and designed an AI-powered educational application, winning 1st place in an international hackathon (DigiEduhack) competing against teams from 27 countries.

SKILLS

Agentic AI Workflows, Human-AI Interaction Patterns, LLM Prompt Engineering, Dynamic/Adaptive Interfaces, Generative AI Integration (Figma Make, Codex, Claude, Bolt, v0), Code-Connected Prototyping, Responsive Design, Design Systems, Information Architecture, Enterprise Product Design, Rapid Prototyping, Design Strategy, Service Design, Interaction Design, Qualitative & Quantitative User Research, Usability Testing, Data Analysis, Design Thinking, Workshop Facilitation, Stakeholder Management, Cross-Functional Alignment.

TOOLS

Figma, Codex, v0, Bolt, VS Code, Gemini, Claude, Optimal Workshop, Wordpress - Elementor, HTML (Basic)
